

CoAlliance Small Business Summit

In this tough economy, why not take advantage of the opportunity to get past the gatekeeper at large companies and government agencies? Well if you want to do that, come participate in the CoAlliance of Business Associations Small Business Summit! This event takes place on Tuesday, October 20th at the Olmsted.

During the past two years nearly 200 minority, woman and veteran owned small businesses have done just that. This year we will have Primes such as Baptist Healthcare, Norton Healthcare, Horseshoe, Louisville Airport Authority, University of Louisville, Jefferson County Public Schools, Eon-US, Louisville Water Co., Fort Knox and the University of Louisville, just to name a few.

Don't miss out on this opportunity to find common ground and gain contracts. This opportunity is too good to pass up!

If you have questions about certification, there will certifying agencies available on site to answer your questions on certification. There will also be other service agencies available to you such as the Small Business Administration, KPAP, SCORE, Community Ventures, Louisville Enterprise Group and the Small Business Development Corp.

For only \$45 your company can come and take advantage of this opportunity during either the morning or afternoon session. If you have further questions, feel free to call Jackie Pennington at 502-315-5387 or check out www.thecoalliance.com.

Respectfully,

Jackie Pennington
